FREDERICK – The Frederick Board of County Commissioners and Board of Trustees of [Citizens Care and Rehabilitation Center](http://www.FrederickCountyMD.gov/CCRC) and [Montevue Assisted Living](http://www.MontevueAssistedLiving.com) will hold a ribbon-cutting ceremony on Tuesday, June 12, at 10:00 a.m. for the new state-of-the-art facility that will house the nursing care and assisted living centers in one building at 1910-1920 Rosemont Avenue, Frederick, Md.

The program for the ceremony includes remarks from the following: Board of Trustees President Sonja Sperlich, PhD; President Blaine Young, Frederick Board of County Commissioners, and President and CEO Thomas Kleinhanzl, Frederick Regional Health System, among others. “Both the Assisted Living and the Skilled Nursing Care Center provide 24-hour care, nutritious meals and many wonderful activities for our residents, including crafting, church services, and game and movie nights. In addition to the beautiful outdoor courtyards and gardens, we offer a variety of meeting spaces to enhance visits from relatives and friends with their loved ones.”

Residents will officially move into their new homes in the new facility a month after the ribbon-cutting ceremony. They will be assisted during the move by caring and well-trained staff and volunteers.
